

Student Licensure Disclosures

The United States Department of Education Federal Code amendment 34 CFR §668.43 requires that all institutions that participate in Title IV federal programs provide student professional license disclosures. Institutions must disclose to students whether their curriculum satisfies the education requirements for licensure or certification in all 50 states, the District of Columbia, and specified U.S. territories.

The programs listed below meet the Oklahoma licensure or certification requirements, and graduates are eligible to obtain a state or professional license. A determination **has not** been made if these programs meet the individual educational requirements for licensure or certification in all other states, the District of Columbia or specified U.S. Territories.
